BEER ON TAP

Buxton Brewery are a pioneer in the Independent Beer community since being founded in 2009 and having won multiple regional, national and international awards. All of our beer is brewed less than 1 mile away from the Tap House and the draft range changes on a daily basis. Feel free to speak to our informative and knowledgeable staff and they will gladly offer advice and samples.

MENU

Just like our beer, we take great pride in sourcing the finest quality ingredients and creating the very best flavour with minimal intervention. All of our soups, sauces, dressings etc are homemade and our suppliers are traceable to within 10 miles. Provenance is everything.
