

Just like our beer, we take great pride in sourcing the finest quality ingredients and creating exceptional flavour with minimal intervention. We work with trusted suppliers, many of whom are located within a 10-mile radius, ensuring quality, traceability, and freshness in everything we serve.

Wherever possible, our ingredients are made in-house, including our handmade pies. During our busiest periods, these are prepared fresh to order and can take up to 30 minutes to cook – a small wait that reflects our commitment to quality rather than compromise.
